

Centre Newsletter for July / August 2016

To Parents and Caregivers

Welcome to our new families.

We **welcome** Dani and Emma to the Go Bananas Team.

Emma is in the Piccolo room and Dani is in the Scuola room while Aman and Deepa are on holiday this month.

We **farewell** Amanda on 22nd July who has resigned from her position and we will have a new cook start on 25th July.

The Friday **lunchbox day** is going really well and the children are
Enjoying having that independence of responsibility of their own lunch.

There have been a few packed lunches forgotten, but on the whole really great. Please remember that we support healthy eating so no lollies please.

Eid Celebration – thank you to the parents giving up their time to come and celebrate with us and for Aadila's Mum and Emraan's Mum for sharing their knowledge with the children and their families.

Sickness – there are bugs etc going around at this time of the year so please don't bring your child/children into the centre if they are miserable as we cannot look after sick children and it is not fair on the other children and families.

Head lice – There have been a few cases of children with head lice so please check your child/ children regularly and treat them before they come back into the centre.

Please make sure that your child/children have plenty of spare clothing and warm clothes for outside.

If anyone has any children's **long pants** that they would like to donate, we would appreciate them as we run out of these for spare clothing at times.

Go Bananas Childcare Rotokauri – Our new centre is progressing well. We are hoping to open in the first week of September. Please let us know if you would like to change centers' as you may live closer or just want a change? We will be picking up and dropping off children there as well for parents with no transport.

Mid Winter Christmas Party - The staff had a mid Winter Christmas Party and everyone brought delicious food to share. It was a great night with lots of conversation and laughter.
