Centre Newsletter for March / April 2016

We would like to **welcome all our new families** to Go Bananas Childcare.

Unfortunately Maggie will be leaving us on Friday 8th April as her husband has been transferred to Auckland through his company.

We will miss her and wish her all the best.

Linzi will also be going back home to Scotland after her last adventure around New Zealand. She will be finishing up at the end of this month and we have thoroughly enjoyed the time that she has spent with us.

As you are all probably aware, the centre has reached our occupancy number and we now have a waiting list for children wanting to enrol.

Due to this we have new staff Meghan and Rebecca and Jelena and Gu who will be joining us in April. We also have another driver, Reina to help Tina starting next week and she will also help out on the floor when needed.

New Centre: Go Bananas Childcare success leads to opening a new centre in Rotokauri – next to WIntec for children aged 3 months to five years.

Our state of the art premises is currently under construction catering for up to 150 children so let your friends and family know. We will keep you informed of opening date.

Some of the staff did the fundraising **Purple Walk for Endometriosis** around the lake on Wednesday 11th March.

The Education Review Office (ERO) has scheduled a review of the centre during the week 30 May – 3 June 2016.

Thank you for the feedback from the **Centre Surveys** and the feedback from these will be followed up soon as we will just wait to see if a few more come in.

Sickness: Please do not bring your children into the centre if they are sick or have high temperatures as they will be asked to go home as our Centre Policy states. This is the same for all children.

Educa: If you are not signed up please let the Head Teacher know?
